# *Functions at* **pipers** BY THE LAKE

Pipers by the Lake offers unparalleled proximity to Ballarat's stunning lake and gardens precinct along with the luxury of exclusive access to the whole venue for you and your guests.

With a long history of functions dating back to the turn of the century, we have hosted countless functions for not only Ballarat locals, but across Australia.

The location of Pipers is a standout, with it positioned on the foreshore of Lake Wendouree. It is also directly across the road from the Ballarat Botanical Gardens, with its 40 hectares of lush gardens and lawns.

The building itself sits as a grand pavilion nestled amongst century old trees and once inside, the open-plan space leads out onto a deck immersed in the greenery of the foreshore.

The venue is perfect for small and large groups of up to 110 people, offering a perfect balance between an intimate gathering and having enough space for movement and dancing.

We take great pride in the quality of food and refreshments that we serve to ensure your function will live with you and your guests forever.

We look forward to helping you plan your special occasion.
