Volume 30, Issue 3

Minster Community Garage Sales

The Minster Community Garage Sales will be held on April 23rd, 24th, 25th. If you are interested in participating, send \$5 per family and ten items you would like listed in the booklet to:

Connie Schafer
64 East 5th St
Minster, OH 45865

Deadline for ads: Monday, April 13th

For more information call Connie at 937-726-2916

There will be a booklet published and available online at:
<https://www.facebook/Minster.Ohio.USA>

Building Permit

If you are planning a construction project, such as a shed/utility building, fence, addition, remodel or garage build, and new construction you will need to file a permit with the Village of Minster.

To get a permit, you will need to provide a completed permit form with a scale drawing showing the actual shape and dimensions of the lot, any buildings or structures to be erected or altered, and their current or intended users. Completed permit forms need to be approved and the appropriate fees must be paid in full before construction may begin.

For more information, or to obtain a permit form, please visit our website at <https://www.minsteroh.com/zoning-regulations>

Efficiency Smart

Have you ever wondered how your electricity usage affects your monthly electric bill? Efficiency Smart's new Electricity Usage Calculator helps you see how your appliances and systems add up and explore opportunities to reduce your electric use. Visit <https://www.energysmart.org/minster-ohio> and select "Electricity Usage Calculator" to learn more.

Age Ranges:
0-2-year-olds
3-4-year-olds
5-6-year-olds
7-8-year-olds

Call Before You Dig

Whether you're planting a tree or shrubs, installing a deck or pool, digging holes for a mailbox or basketball pole, building a fence or deck, contacting OHIO811 before you dig protects your home and family. Avoid potential injury, property damage, and utility disruption by following the law and digging safely. Take a few minutes to call 8-1-1 or visit www.oups.org and request the location of underground facilities near your proposed digging site. Knowing where gas, electricity and other facilities cross your property will help protect your life, your property, and your wallet.

In Ohio, by law, everyone – including homeowners – MUST contact the Ohio Utilities Protection Service, 8-1-1, at least 48 hours but no more than 10 days before you plan to dig.

Contacting OHIO811 is free.

Remember the marks indicate approximate location of the utility line, within 18 inches on either side of the line.

	WHITE - Proposed Excavation
	PINK - Temporary Survey Markings
	RED - Electric Power Lines, Cables, Conduit and Lighting Cables
	YELLOW - Gas, Oil, Steam, Petroleum or Gaseous Materials
	ORANGE - Communication, Alarm or Signal Lines, Cables or Conduit
	BLUE - Potable Water
	PURPLE - Reclaimed Water, Irrigation and Slurry Lines
	GREEN - Sewers and Drain Lines
