## Minster Water Meets All Standards

The 2025 Drinking Water

Consumer Report is

available for the Village

of Minster. The Ohio

Environmental

Protection Agency

(OEPA) mandates that all

consumers of Village supply

water be given the opportunity to review the report.

The report contains information on the water source and its

availability, as well as results from tests conducted on the

water. The report also contains information on lead, potential

sources of water contaminants and offers advice for those who

must take special precautions. Our number one priority is

quality drinking water that meets or exceeds federal and state

regulations. The Village has met all safety standards and the

water supplied to the community has been found completely

safe.

Copies of this report are available online by going to

MinsterOH.com and clicking on the Municipal Water, 2025

Residents can also stop at the Administration to pick up a copy

or request an email copy. Email requests can be sent to:

[administration@minsteroh.com](mailto:administration@minsteroh.com).

## Noxious Weed Notice

Under Sections 92.10–92.14 of the Minster Codified Ordinances, property owners within the Village must keep their land free of noxious weeds and overgrown vegetation. Weeds and grass

must be cut every 15 days to prevent growth and spread. Failure to comply may result in the Village removing the

vegetation and billing the owner or placing a lien on the property.

## Arbor Day – April 24, 2026

Founded in 1972, the Arbor Day Foundation is the largest nonprofit dedicated to planting trees, with over 500 million planted worldwide. Through its members and partners, it works to use trees to address critical global challenges and inspire people to care for them.

Spending time in nature is both enjoyable and beneficial, improving physical, mental, and spiritual health. People in greener communities are three times more likely to be physically active.

The Village of Minster celebrates Arbor Day with a 2:15 p.m. educational event for fourth-grade students at Four Seasons Park (weather permitting), featuring a tree planting, hands-on learning, and a seedling for each student to take home.

## Minster Historical Society

The Minster Historical Society is excited to announce a new way to connect with our community. We are launching "Fourth Fridays". Come learn about how the Historical Society began, honoring the founders who started it all 50 years ago. Take a walk down memory lane with our current, specially curated

display of vintage toys that will charm visitors of all ages.

Mark Your Calendars for Upcoming Fourth Fridays:

**April 24:** Featuring a special look at Katie Horstman items and Minster Mate Scrapbooks. (If you have a scrapbook, please bring it to the museum)

**May:** We are taking a break to celebrate local graduations.

**June 26:** Military display featuring Stars and Stripes magazines and Les Poepelman items.

**July 24:** A look at technology, featuring nostalgic football reels.

**August 28:** A journey through the history of Egypt.

Come walk through history, catch up with neighbors, and celebrate the unique spirit of Minster! Whether exploring the displays on Friday evening or visiting during the Sunday afternoon hours, these events offer a wonderful opportunity to engage with the stories that shape our community.
