Back-to-School Safety

THE FIRST DAY OF SCHOOL IS SET FOR THURSDAY, AUGUST 20, 2026

As summer draws to a close, back-to-school session is in full effect. The Village would like to remind all drivers to be extra cautious and safely share the roads with school busses, pedestrians, and bicyclists, and provide children with the necessary knowledge to stay safe going to and from school.

Whether children walk, ride their bicycle or take the bus to school, it is extremely important that they, and the motorists around them, take proper safety precautions.
