

09 Early years practice and procedures

9.1 Waiting list and admissions

We aim to ensure that all sections of the community receive accessible information, and that our admissions procedures are fair, clear and open to all parents who apply for a place.

- The setting is widely advertised in places accessible to all sections of the community.
- Information about the setting is accessible, using plain English, in written and spoken form and, where appropriate, provided in different community languages and in other formats on request.
- Children with disabilities are supported to take full part in all activities within the setting and the setting makes reasonable adjustments to ensure that this will be the case from the time the child is placed on the waiting list.
- The waiting list is arranged in birth order and in addition may consider the following:
 - the age of the child with priority being given to children eligible for the free entitlement
 - length of time on the waiting list
 - the vicinity of the home to the setting
 - siblings already attending the setting
 - the capacity of the setting to meet the individual needs of the child
- Funded places are offered in accordance with the Early Years Entitlements: Operational Guidance for local authorities and providers (DfE) and any local conditions in place at the time,
- Where it is financially viable to do so, a place is kept vacant for an emergency admission.
- The setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers and childminders are all welcome.
- The setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability, whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.
- The needs and individual circumstances of children joining the setting are monitored on 09.1c Childcare and early education registration form, to ensure that no accidental or unintentional discrimination is taking place and that reasonable adjustments are made as required.
- Section 06 Equality procedures are shared and widely promoted to all.
- Places are provided in accordance with 09.1d Childcare and early education terms and conditions issued to every parent when the child takes up their place. Failure to comply may result in the provision of a place being withdrawn.

Admissions

- At Manor Farm Pre School, the main admission period is at the start of the academic year (September), although there may be a few sessions released later on in the year.
- Manor Farm Pre School accept applications by filling out our application form which is held on the website. The admissions takes into account:
 - Children with SEND and the capacity of the setting to meet the individual needs (see below)
 - Looked after children
 - The length of time on the waiting list
 - Whether any siblings already attend the setting
 - The age of the child (with priority given to children who are eligible for the free entitlement – including eligible two year old children where places are available)
 - The vicinity of the home to the setting
- Manor Farm Pre School writes to parents in the Spring term to ascertain which children will be leaving at the end of the Summer Term and for those remaining, ask which sessions they will be requiring in September. Once these replies have been received then contact is made with those on the waiting list to advise of upcoming availability. This is usually just before the Summer half – term.
- Due to the popularity of Manor Farm Pre School we may become over subscribed. This means that some children that should be offered a place will need to remain on the waiting list. In the case of oversubscription we will offer to those children that have been waiting the longest in the following order:
 - Children that have deferred their placement
 - Children with SEND or are Looked after children
 - Siblings already attending the setting
- Once an early education and childcare place has been offered the relevant paperwork is completed by the setting manager or deputy before the child starts and filed on the child's personal file. Forms completed include:
 - 07.1a Privacy Notice - explains what personal data we collect, why we collect it, how we use it, the control parent/carers have over their personal data and the procedures we have in place to protect it.
 - 09.1d Early education and childcare terms and conditions - govern the basis by which we provide early education and childcare.
 - 09.1c Early education and childcare registration form - contains personal information about the child and family that must be completed in full prior to the child commencing.

Children with SEND

- The manager must seek to determine an accurate assessment of a child's needs at registration. If the

child's needs cannot be met from within the setting's core budget, then an application for SEN inclusion funding must be made immediately.

- Children with identified SEND must be offered a place when one becomes available as with any other child. However, the start date for children with more complex SEND will be determined by the preparations made to ensure the child's safety, well-being and accessibility in the setting. If a child's needs determine that adjustments need to be made, the manager must outline a realistic timeframe for completion, detailing the nature of adjustments e.g. risk assessment, staff training, health care plan and all other adjustments required. The child's safety at all times is paramount.
- At the time of registration, the manager must check to see if a child's family is in receipt of Disability Living Allowance, if so, the manager must ask for evidence to enable them to claim the Disability Access Fund directly from the local authority. If the family is eligible but not in receipt of the allowance, the setting manager will support the family in their application. More information can be found at www.gov.uk/disability-living-allowance-children/how-to-claim.
- Preparation for admitting a child with SEND must be made in a reasonable amount of time and any delay in the child starting is scrutinised by the setting manager to avoid discrimination and negative impact on the child and family. During the preparation period the family and relevant agencies and the local authority must be regularly updated on the progress of the preparations.

Safeguarding/child protection

If information is provided by the parents/carers that a child who is starting at the setting is currently, or was involved with social care, the designated safeguarding lead will contact the agency to seek further clarification.

Parents/carers are advised on how to access the setting's policies and procedures.
