- **Anti-siphon side lap design**
- **40 Year Paint Warranty**
- **1/2:12 Minimum Roof Pitch**
- **Sherwin Williams Weather XL**

26
Gauge

Commercial Panel is used for commercial, agricultural, and residential projects. It can span 4' on center for roofs. 26 gauge is a great choice for any project that needs commercial grade performance and is designed specifically for steel frame structures. Commercial Panel is ideal for low pitch roofs and has a 36" coverage and a 1 1/4" rib height.
