General Price List

The Krill Credo . . .

We believe that if anyone, or any firm, serves long enough, they will succeed or fail depending on the policy he pursues.

In the course of experiencing your faith in us through more than a century, we have developed a creed that is very sacred to us as we serve you.

Each final statement we present to all we serve carries this sentiment.

We wish to express to you our sincere sympathy and our appreciation for your trust in us.

It is our purpose to give you thoughtful service; and if in doing so we have lightened your burden, our aim has been accomplished.

We sincerely hope that our service has been deserving of your confidence.

We want all to know that this measure of gratitude for our success is always foremost in our thoughts and that your confidence is, and always will be, our sacred trust.
