

Kirouac Family Association inc.

Dear cousins,

On September 5 and 6, your Board of Directors invites you to our 42nd meeting of the Kirouac Family Association, this time in Quebec City.

We will be meeting at the Centre Durocher (680 Rue Raoul-Jobin, Quebec City) in the heart of the Saint-Sauveur district, which has seen generations of illustrious members of our family living there. This year will see a name change. Welcome to the first edition of Les Rencontres Kirouac! Every year from now on, we will be proposing a theme that's close to our hearts as a family, but that's also sure to attract a wide audience who will discover the richness of our history. In 2025, we will be celebrating the 90th anniversary of the publication of Marie-Victorin's *Flore laurentienne*. Take a look at the program we've planned for you!

The event kicks off with our annual general meeting on the evening of September 5 at Quai 1635 restaurant in Cap-Rouge. Be there and think about getting involved. We have four positions to fill on the Board, and we can't envisage any unfilled seats. Reserve quickly, as there is a maximum of 40 places for the September 5 meal. For the day of September 6, there is no capacity limit!

The program and registration form are attached. Don't hesitate to invite your children, grandchildren, relatives and friends who'd like to celebrate with us. We look forward to welcoming you. We look forward to seeing you soon.
