

20th Women OF DISTINCTION

YWCA MUSKOKA AWARDS GALA

2026 Sponsorship Package CELEBRATING & HONORING WOMEN IN MUSKOKA

Thursday April 2, 2026 ♦ Deerhurst Resort

Over 200 local leaders, businesses and change-makers will be in attendance for this milestone event: **the 20th Women of Distinction Awards Gala**. Your sponsorship demonstrates your support of the vital contributions women make across Muskoka.

Funds raised will directly impact the lives of girls and women in Muskoka. YWCA Muskoka prevents gender-based violence with youth programs like *Girlz Unplugged* and *Quest for Boys* in our schools. We are inclusive of gender-diversity. We cultivate economic resilience to break the cycle of poverty with *Getting Ahead* participants and build one another up through Women in Business and Financial Literacy education.

Your Sponsorship: Reaching Women is a Smart Investment

- Women are responsible for 75% to 80% of consumer spending through purchasing power or influence (amounting to about \$1.2 trillion in 2023). Reaching women is vital for your bottom line
- Canada's economy would benefit from having more women entrepreneurs. For example, revenues of women-owned businesses grew about four times faster than the national average in 2023 (6.4% vs. 1.7%). These companies are also more innovative, with 30.6% of women-owned businesses reporting implementing at least one type of innovation vs. 27% of men-owned businesses.
- Continuing to progress on gender equality is one way of improving Canada's economic prosperity, especially in the current context of declining productivity.
