

TALENT OPPORTUNITIES BOOKLET

BLESSED TRINITY PARISH

2026

*Cover:
Drawn by Dominic C.
Digitally Inked by Dan Mathieu*

Brothers and Sisters,

Our parish thrives because of the generous actions of our community. Everything that we do is brought about by the generosity of our members, through their financial generosity, and the generosity of their time. Without your generosity, we are surely up a creek without a paddle! I'd ask at this time to consider how God may be inviting you to use what He has given you to continue making a positive difference, and to work for the salvation of souls of all who encounter our church.

All we do in the church is directed towards the salvation of souls. One of the best ways to make that happen is involving ourselves in the life of the church, and through charity inviting others to join us on the journey with Jesus. Volunteering is a prime way in which we invite others to join in the life of the church through preparing and taking care of it.

Whether you are helping take care of the grounds of the church, providing food for socials, planning larger events, cleaning, preparing liturgical assistance, singing or decorating the church, assisting with work in the offices, you can help others find and know Christ through the life of the Church. What a beautiful way to share what God has invited you to do! Please consider how God is inviting you to volunteer and help spread the Gospel in our midst.

In addition to volunteering, I'd ask you to consider joining for one of the Called and Gifted workshops. It is a wonderful program to help discern where God has placed gifts in your life, and how to use them fruitfully. Volunteering is fun and good, but volunteering that coincides with God's gifts for you is so much more exciting! If volunteering has been difficult before, maybe this could help you find something that "clicks" with you.

I ask that you complete the enclosed Sign-Up Form as you consider how you can share your gifts with our community throughout the year.

Blessed Trinity is a parish where so many people volunteer their time and energy to many projects, and I am consistently astounded and grateful for all that the volunteers do. So many activities in our parish are only possible and conceivable because of the volunteering you do. Thank you!

Know of my prayers,

**Fr. Michael Lawinger
Pastor**
