

Procedure for Extraordinary Ministers

At the start of the Lamb of God, Extraordinary Ministers come from the assembly to the side tables to disinfect their hands. From there, they take their place to the right side of Father (St. Francis Chapel side). Father will distribute communion to each Extraordinary Minister. Then Father will bring a vessel containing the Hosts to each Extraordinary Minister. Father will then go to the center aisle, as he goes, one Extraordinary Minister goes to the left aisle and one Extraordinary Minister goes to the right aisle, to begin distribution of the Eucharist. The Extraordinary Minister who finishes first should go to the back of Church and distribute to the people in the handicap pews. Each Extraordinary Minister, when finished should place the vessel on the altar and return to the pews.
