Welcome to our new family portal: XUNO!

Dear Families,

We are excited to introduce XUNO — our new, easy-to-use school communication and management system!

We are adopting XUNO to help streamline how we connect with you. It is a secure, all-in-one platform where you can access everything you need to know about your child's education.

What can you do in XUNO?

- Track Attendance: View your child's timetable, attendance records, and easily notify the school of any absences.
- Stay Informed: Read school news, event updates, and newsletters.
- Access Reports: View and print your child's academic reports.
- Message Teachers: Send direct messages to your child's teachers.
- Book Interviews: Seamlessly book upcoming parent-teacher interviews.
- Event Approvals: Simplified school event notifications and approvals.

(Please note. Currently, we won't be using XUNO for families to make payments)

How to get started:

- You will receive a “Welcome to XUNO” email from Trawalla Primary School. This introductory email will help you to setup your account and sign-in. Follow the instructions to take you to the web browser.
- There is also an option to Download the XUNO Family app from the [Apple App Store](#) or [Google Play Store](#). Open the app and search for our school name. Register your account using the unique access code previously emailed to you

For a visual guide on how to navigate the platform, you can check out the official [XUNO Parent Portal Guide](#).

If you have any trouble logging in or locating your access code, please reach out to us and we will assist you.

Warm regards,
Kate Morcombe
Principal

Somers School Camp - Year 5 & 6 Students

Keeping our students warm and comfortable

As the colder (and now wet) weather continues, we kindly ask parents to ensure their children come to school dressed in warm clothes. Additionally,

please send a spare set of clothes to keep at school, just in case your child gets wet or muddy during the day?

Students are welcome to bring slippers (or similar) to change into while in the classroom. Our priority is that every student stays warm and comfortable throughout the day. Thank you for your support!

**You're invited to our JUMP OFF DAY
on Friday 26th June, 2pm**

Cluster Small School Survey

We invite families to please complete the Cluster Small School Survey via the following QR Code

The responses to this survey help to determine what our Cluster should focus on in the coming year. Please contact Kate if you have any questions.

A small number of families have completed this. It would be great to have more. Thanks!

SCHOOL ACTIVITIES

International Sushi Day

On Thursday 18 June, students celebrated International Sushi Day by preparing their own sushi during the Kitchen/Garden session. International Sushi Day is observed each year on June 18 and is a global celebration of sushi, recognising its cultural significance and popularity around the world.

The activity was a great success, with most students thoroughly enjoying the experience - chicken quickly became the most popular sushi filling.
