Cluster Day

Our final cluster day at Navarre PS was a Footy Colours dress up day. We raised the amazing amount of \$133.80 to support childhood cancer. Thank you to all those who sent a gold coin donation. On top of the dress up we also had a science incursion.

Students were treated to a planetarium experience to learn about space. The big tent was dark inside, it changed from showing the day sky, to the night sky, to looking at the planets, stars and constellations. For the second activity, students played with electronics. This circuits workshop challenged them to join wires and batteries to make a globe glow. The final session was STEM, where the students made paper helicopters. The class was challenged to vary the wing length, the wing width and the weight to find out which flew the best.

Next term our Cluster Days are being held at Trawalla. We are looking forward to African drumming, Sustainability incursions and the popular Colour Fun Run.

Father's Day Gift

We hope the students' Father's Day gifts were a hit. Thank you to those who have already paid for their child's gift. A reminder message has been sent to families who are yet to make payment, including alternative payment options. The cost of the gift is \$5.

MARC Van

The next MARC Van session with Mr Morgan will be next term, Friday 9th October from 9am to 12.30pm.

2026 Parent/Carer Opinion Survey

Our school is conducting the annual Parent/Carer Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is currently open and **will close on Friday 18th September**. Please refer to the letter attached to today's newsletter, which has also been sent to families via Xuno.

School Council - Tonight

Our next School Council meeting will be tonight Tuesday 15th September, 7pm at Trawalla Primary School.

Student Free Day - Tomorrow!

Please note that Wednesday 16th September, is a Student Free Day. Staff will be engaged in Professional Development and no students are to attend school.
