Fees are comprehensive and include all enhanced services provided, e.g. nappies, wipes, food, and drinks. When applying funded hours, we distribute the entitlement evenly throughout the year to provide 11 or 22 hours per week. During funded hours we implement a voluntary fee of £1.40 per hour to cover the costs of meals, snacks, drinks, nappies, wipes, sun cream, and any extra-curricular or seasonal activities we offer. Additionally, there is a monthly admin charge of £3.50 for software and invoicing. Nursery fees are reviewed annually each April, and we guarantee at least one month's notice before any changes are made.

Our minimum booking is three days a week which must include a Monday or a Friday. To increase your booking pattern, we require at least 24 hours' notice, subject to availability. To decrease your booking pattern, you must provide us with a months' notice by email to the nursery manager.

Fees are payable in advance by the 5th of each month by standing order, Bacs, childcare vouchers or Tax-Free Childcare payments

Any fees still outstanding after the 10th of the month will incur a £25.00 charge. If your monthly fees are unpaid by the 15th of the month, the nursery place will be suspended until fees have been paid.

No refunds or additional sessions will be given for sessions missed due to holidays, sickness, isolation, Bank Holidays or due to nursery closure days. Please ask the nursery manager for our annual closure dates.

You can get up to £2,000 per child each year towards childcare costs with Tax-Free Childcare

Tax-Free Childcare is for working families, including those self-employed.

You can get up to £500 every 3 months (up to £2,000 a year) for each of your children to help with the costs of childcare. This goes up to £1,000 every 3 months if a child is disabled (up to £4,000 a year).

How does it work?

For every £8 you pay into your online account, the government will pay in £2. This means you can get up to £2,000 per year for each child towards the cost of childcare (or up to £4,000 per year if your child is disabled).

If you're eligible, you'll need to create an online childcare account via the [Government Tax-Free Childcare site](#). It should take about 20 minutes to set up, and you'll need your national insurance number to hand (if you're self-employed, you'll also need your unique taxpayer reference)
