

Alumim or Youth is our first chanichim age group. For future and present campers Participants in these programs can expect some spectacular programming. Making new friends and spending time with friends from camp, as well as enjoying programs that range from social, Jewish, hands-on, and educational, is at the core of Alumim Programs.

WHAT IS ALUMIM?

Alumim is our youngest chanichim age group. This is a collection of participants in grades 1-5 in any of our program cities. The goal of this program is to engage our youngest members in fun, interactive, and Jewishly themed activities. It is a fun and informal social experience.

WHAT KINDS OF PROGRAMS DO WE DO?

We like to focus our programs on the holidays, or a fun event. Some examples include Apple picking, Parents Night Out Hanukkah Parties, Limo Scavenger Hunts, Purim themed Escape Rooms, Israeli culture extravaganza's and more!

WHY SHOULD MY CHILD PARTICIPATE?

Your child should participate in these programs because it keeps the spirit of camp alive throughout the year. It is a great way to expand your involvement in CYJ, and for your camper to develop friendships outside of their camp. They are also fun, and a great way to spend an afternoon once a month.

HOW WILL PROGRAMS WORK DURING THE PANDEMIC?

We follow the advice of our Medical Consul for all of our programs. We will do in person programs, where permissible, based on all necessary guidelines as set out by the local health authority. There will be a mix of in person and online programs to keep our chanichim engaged.
