

JOLT is Canadian Young Judaea's flagship program for teen community outreach. JOLT stands for "Jewish Outreach Leadership Training." During the year, JOLT partners with various organizations to give teens the chance to bring about positive change within the community.

Participating Kenim (City Centres)

- Montreal (Grades 8-10)
- Vancouver (Grades 9-10)
- Halifax (Grades 8-10)

HOW DOES JOLT WORK?

We meet twice a month, with the first meeting being a program related to a value or a social justice cause. The second meeting is an outreach that relates to the value or the cause.

DO I GET VOLUNTEER HOURS?

Yes, but you must come to both the meeting and the outreach to obtain your community service hours.

WHAT ARE THE PROGRAMS LIKE?

Our programs are designed to engage our participants in issues that are relevant to society, as well as issues that are relevant to the Jewish people. We use interactive and experiential tools to bring these issues to relevance for our participants.

WHAT KIND OF SOCIAL JUSTICE CAUSES DO WE FOCUS ON?

These are always changing so that we can address the causes of the time. This year, we will engage with anti-Racism issues, anti-Semitism, LGBTQ+ issues, homelessness, COVID relief, access to education and more.

WHY SHOULD I PARTICIPATE?

You should participate because it is a great way to stay connected to your camp community, and meet future Biluim Canada and Israel campers. You will gain invaluable experience, knowledge, and will feel like you are making a difference in our community, and our world.
