

MUSIC AND MOVEMENT CLASSES

What is music and movement class?

Music and movement classes provide activities for preschoolers in a fun way to help young children grow and learn. Toddler and pre-school activities can help develop critical language, math, science, dance and music skills in their early childhood.

Learning Benefits:

- Curiosity
- Fine-motor skills
- Improvisation and creative thinking
- Rhythmic awareness through dance and music
- Making a sequence out of movements
- Social Skills

How do enroll in music and movement classes?

Speak with your daycare provider on how your child can participate in this program offered at their center. Classes are held on Thursday mornings.

DANCE PROGRAM

What is the dance program?

Dancers will enjoy these 30-minute weekly classes including creative movement, ballet, jazz and tumbling basics. Students will learn routines to perform at the annual recital. Classes are held Thursday mornings at the daycare center from March-June. Registration for classes is due end of February. The fee is \$225 per student and includes: weekly lessons, ballet, shoes, t-shirt, dance costume and annual recital held at the daycare center. Look for information coming in January!!!

Dance Benefits:

- Encourages creativity
- Improves coordination
- Social skills
- Fosters imagination
- Listening skills
- Develops gross motor skills
