

## Casket & Outer Burial Container Price List

Prices are effective as of 2-1-2022 and are subject to change without notice.

Other caskets and outer burial containers can be purchased by special request. Catalogs are available at the funeral home with special request selections.

**Notice: In most areas of the country, state or local law does not require that you purchase a container to surround the casket in the grave. However, many cemeteries require that you have such container so that the grave will not sink over time. Either a grave liner or a burial vault will satisfy these requirements.**
