

Kids Ministry Volunteer Needs

Sunday Mornings

Every Sunday is an exciting experience for the kiddos at Glen Meadows, and it takes a lot of people to make it happen. If you feel the Lord drawing you to help in the Kids Department, we're confident you'll find a place below to get started!

Nursery (Staff & Volunteer)

We've got A LOT of babies at church on Sunday morning, which is awesome. To take proper care of these little ones, we need a lot of people willing to care for them and show them the love of Jesus during their time with us.

Preschool Leader

Next up we've got the amazing people who care for our 3-5 year-olds. This group gets the privilege of making an incredible impact on lives when they are the most receptive. This is an incredible opportunity to have a maximum impact for the Kingdom of God!

Kids Place

Kids Place is a high energy-event that engages kids K-5th grade with the Good News of Jesus, and there are a lot of opportunities for you to be involved.

- **Small Group Leader**

These folks get the joy of helping build a biblical foundation for elementary school kids.

- **Leader's Assistant**

This is a supporting role, prepping material and filling in for the leader as needed.

- **Large Group Leader**

This Leader presents an exciting, engaging, curriculum-based lesson to all the kids.

- **Store Keeper**

A friendly face helps kids shop with their Bible Bucks they earn for memorizing verses.

Connections

A welcoming and safe environment is crucial when it comes to Kids Ministry. The Connections Team is key to making this happen as they greet new families and assist with getting the kids checked in and helping everyone find where they need to be.

Special Events

Special events are a staple in Kids Ministry. They are not only a ton of fun for the kids, they help support our families as well as serve as an outreach to those not already a part of our church family. These events include those like VBS and Harvest Festival that are major outreaches to our community.

Events like these require A LOT of work and simply wouldn't happen without volunteers like you. A few areas where our volunteers shine are ...

Planning & Organizing

Help design, plan, and organize engaging large-scale kids ministry events (VBS, camps, etc.). Volunteers in this role assist with brainstorming themes, scheduling, recruiting teams, and coordinating details. Ideal for people who enjoy big-picture planning and behind-the-scenes leadership.

Set Up & Tear Down

Serve by helping transform our spaces before events and resetting them afterward. This team moves tables, chairs, and equipment, sets up signage and stations, and ensures everything is safely and neatly stored when we're done. Great for individuals or families who like practical, hands-on service.

Support During Events

Provide on-the-ground support during events by welcoming families, helping kids find their groups, running check-in, or assisting with games and activities. Volunteers help create a safe, fun, and organized environment for kids and parents. Ideal for friendly, flexible people who enjoy being in the middle of the action.

Construction & Decorating

Use your creativity and practical skills to build and decorate themed sets, props, and backdrops for major events. This team may paint, cut, assemble simple structures, and help stage rooms to bring our themes to life. Perfect for artistic, crafty, or handy volunteers who love working with their hands.
