

Music Ministry Volunteer Needs

Vocalist

Positions Needed: Always Growing

Requirement: Able to confidently carry a melody or harmony

There is something powerful about a room full of people singing together. Our vocalists help lead the way, giving the congregation confidence to join in rather than simply listen. If you are a capable singer, can work well with other voices, and want to use your gift to help people worship, we would love to hear from you.

Instrumentalist

Positions Needed: Always Growing

Requirement: Proficient on your instrument and comfortable playing with other musicians

The music we lead on Sunday is never about one musician, it takes a team listening, preparing, and playing together. Our instrumentalists use their ability to help create the musical environment that supports our congregation as we worship. You don't need to be a professional, but you should be comfortable on your instrument and able to learn and play songs with a band.

Instruments: Acoustic Guitar • Electric Guitar • Bass • Drums • Keys/Piano • Cello • Other instruments welcome

Interested in Serving?

First Step: Contact Ben

The Music Team is a little different from some of our other serving opportunities. Because each role requires a certain level of musical ability, we start a conversation rather than automatically placing you on a team.

We'll learn a little about you, your musical experience, and where you might fit, then help you take the right next step.
