

Youth Ministry Volunteer Needs

Life Group Leader / Co-Leader

Positions Needed: 3-5 Male and Female Leaders

This is the heart of the Youth Ministry here at Glen Meadows. Life Group Leaders and Co-Leaders shepherd a small group of 3–15 students through weekly discussion using provided curriculum. They take attendance, follow up with guests and absent students, and help students take next steps in their faith. They also debrief weekly with Youth Life Group Coaches to review how things went and plan improvements.

Hospitality Team

Positions Needed: 2-4

You don't need food and drinks to have a good time, but they definitely help! The Hospitality Team prepares and serves meals and drinks at Holy Grounds Café, manages inventory, and handles the registers each week. They also help with setup, teardown, and general cleanliness of GM Youth spaces for weekly gatherings and special events.

Connection Team

Positions Needed: 2-4

Just because a student is present doesn't mean they're connected. The Connection Team builds relationships with students through conversation and activities, with special focus on those who seem unengaged. They help monitor halls, stairwells, and entrances to keep spaces safe, and assist with setup, teardown, and activities for weekly gatherings and special events. This team has a major impact on setting the tone of our environment, putting students more at ease, so they are better posed to hear from the Lord.
