

Mission

The Religious Education program of St. Michael the Archangel and Mary Mother of Peace will work to increase the interest and enhance communication within our community of parishioners and young people by providing interactive and cooperative learning opportunities emphasizing the basics of our Catholic faith.

Program Goals

- To support parents in their role as primary educators of their children.
- To teach Jesus Christ is our Savior and Model of Christian life.
- To give students an appreciation for salvation history and biblical studies.
- To develop a strong sense of belonging to the parish family, as evidenced by participation in Sunday Mass and other parish celebrations.
- To prepare families for their children's first reception of the Sacraments of Reconciliation and Eucharist, thereby fostering moments of adult faith development.
- To work with youth in preparing spiritually and doctrinally for the Sacrament of Confirmation while developing a habit of service to others and commitment to worship and community.
