Pray together: Father, we come to You today, partnering with and agreeing with millions of people throughout the world for Your present help in a time of trouble. We are, as the teaching states, desperate for this help. We humble ourselves before You, asking for Your grace, cleansing, and healing.

We do repent for the prayerlessness of the church, but we are also grateful for the millions of people around the world who are praying. A great symphony of prayer goes up daily around the world, moving Your heart and releasing Your power. Angels are being sent to work with the church and breakthroughs have and will continue to occur. We continue to cry out: Send revival!!!

We know we are asking these things, not just for ourselves, but for You; You desire to do them, but have determined to work through humans on earth. When we partner with You, asking in faith according to Your will, You hear and answer those prayers. We do so today in Jesus' name: send revival to the earth!

Our decree:

We decree that a willing church is rising up to partner with God on the earth.
