PRACTICING THE **4 HABITS**

We all want influential relationships. The problem is that it's easy to feel stuck when life's challenges frustrate and overwhelm us. But it doesn't have to be that way! God never intended for us to live stuck and frustrated lives. When Jesus walked the earth, He partnered with twelve disciples and said He came so that we could have life and live it to the fullest.

We believe that by Doing Life Together in partnerships, we can live life to the fullest, especially when we feel stuck in relationships, uncertain about the future, or determining what's next. So that's why we've developed 4 Habits of Doing Life Together to help you get unstuck.

- 
- Spend time with God in prayer or worship
 - Spend time with others over a meal
 - Share and listen to stories about life
 - Use your gifts to serve a need in our congregation or community
- 

We want to walk alongside you to Do Life Together so you may experience life fully. Using these habits is the key to helping you to get unstuck. **Let's Do Life Together!**
