

Rediscover how God's grace has been at work all along

WEEK 4 | Acts 2:42-47 | Fellowship

This summer, we're taking a trip down Memory Lane to remember the past and rediscover its power to shape our present and future in Christ. Whether you revisit experiences by recalling memories through old photos, familiar music from jukeboxes or Walkmans, TV shows, or video games, you'll rediscover faith and uncover spiritual truths through the things that once filled our weekends and living rooms: *Saturday morning cartoons, heartfelt sitcoms, rugged Westerns, classic games, and unforgettable meals*. Whether it's the perseverance of our favorite cowboy, the grace found around a dinner table, or the teamwork learned over a board game, God has been teaching us all along, even when we didn't realize it.

The church is not just a place you visit; it is a community you grow with.

1. What is one thing that stood out to you from this week's message?
2. People's hearts overflowed with awe and wonder because they felt God working in their shared community. When have you experienced a sense of awe in community with others, and what made that moment so powerful?
3. Being part of a fellowship meant more than just sitting together. It was about sharing meals, praying, and living life alongside each other. How can you transition from being just a face in the crowd at church to becoming part of the family?
4. Fellowship means supporting one another through struggles. What is one practical way you can assist someone who is hurting or in need right now?
5. How can we pray for you?

This week, reach out to one person you usually only greet briefly at church. Schedule a time for a “get to know you better” conversation after service.
