WHEN LIFE SHIFTS, GOD STILL LEADS

SUNDAY, JUNE 14

WEEK 2 | Proverbs 16:1–9 | *When Plans Change*

Have you ever tried to travel with too much? Too many bags, too much weight, trying to keep up with everything at once. At some point, you realize you're carrying more than you need, and it's slowing you down. Life can feel the same way. What once felt normal can start to feel uncertain; the noise gets louder, and before you know it, you're carrying more than you were meant to carry. It becomes harder to see clearly and easier to miss what really matters. But God is not distant in moments like this. He is present, steady, and already at work, even when life feels unfamiliar or unsettled. This summer, we'll learn to slow down, travel light, and trust God with what we've been carrying. You don't have to carry it all alone.

BIG IDEA

What feels like an interruption may be God's direction.

DISCUSSION QUESTIONS

1. What is one thing that stood out to you from this week's message?
2. Where has life not gone according to your plan recently? What do you think God might be showing you through it?
3. Are you asking God to bless your plan, or are you trusting Him to direct your path when your plan changes?
4. What part of Proverbs 16:1-9 speaks to a plan you're holding onto and a path God may be redirecting?
5. How can we pray for you?

YOUR NEXT STEP

This week, when an unexpected delay, change, or interruption occurs, pause before reacting and ask: "Could this interruption be part of God's direction for me?" Then take a moment to pray before deciding your next step.
