Our Children are Blooming

Our children are like those green shoots that are peeking out of the ground. They are testing whether the conditions are right for growing and blooming. We see them acquiring new skills that they were not ready for in the Fall. They have waited and are now demonstrating growth in leaps and bounds. They are truly flowering as learners and individuals.

Like a gardener aiming to provide the right conditions for flowers to bloom, we also strive to provide the right setting and experiences for our children to thrive. Our mission statement states that we “nurture” children, a perfect description for the processes we use for stimulating and nurturing growth at Snellville Community Church Preschool & Kindergarten. So, as you watch the flowers emerge this spring, don’t forget to watch your children as well, for they are blooming beautifully right before your eyes!!!

Thank you for letting us nurture your little ones! Blessings Always!

Snellville Library Visit

Our 4 year and Kindergarten classes will enjoy a visit to the Snellville Library on Tuesday, March 24th. Each child must be accompanied by a parent. More information will be coming home soon regarding the trip.

A representative of the Snellville Library will be on campus on Thursday, March 26th to read to our Toddlers, 2's and 3 year olds.

Parents, it is very important to instill a love for reading in your children! Read to them on a regular basis!

Grandparent's Day

Snellville Community Church Preschool and Kindergarten have set aside Thursday, March 12th to honor our grandparents. All of our grandparents are invited to join us that morning at 10:00am in Wesley Hall. The children will join them for a short presentation especially geared towards grandparents. Formal invitations have been sent home. Please make sure to RSVP with the number of grandparents attending so that we will have plenty of seating. Parents, this time is specifically geared towards celebrating our grandparents.

Due to facility size and constraints, we cannot include both grandparents and parents at this time. If there are special circumstances involved in your family or the grandparents are not mobile enough to come alone and need assistance, please feel free to contact the office so that we can make special arrangements for others to join them.

FIRE DRILL - This month, we are required to conduct a fire drill. It will be on Tuesday, March 17th. The fire alarm will be activated to familiarize the children with the sounds so we can equip them with the proper tools to evacuate the building in case of real fire. Please help us by sharing with your child our fire drill process and telling them about the loud noise the alarm will make when it is activated.

Winner of Best of Gwinnett 2025!!!!

We are so excited to announce that Snellville Community Church Preschool and Kindergarten has been chosen as winner of Best of Gwinnett 2025!!! This is a huge honor and we thank all of you who voted and made this possible. It is our goal to be the best, not just for the recognition, but to bring honor to God as we proudly and boldly claim to be a Christ-centered school. Thank you again for your votes, support and partnership!
