

BUILT TO BELONG

FAITH, LOVE, AND GENUINE COMMUNITY

SUNDAY, OCTOBER 19

WEEK 3 | **Jeremiah 17:7-8** | *Trust*

We are Built to Belong because God made us for connection. We aren't meant to face life alone; He created us for community, where we support one another and develop in faith together. It's about discovering a place where you are truly known, accepted, and appreciated, where you can both give and receive encouragement, and where your life gains purpose as part of something greater than yourself. Whether you're new to the area and seeking a spiritual community, returning to faith after a challenging season, or simply yearning for a deeper sense of purpose and connection, God is calling you to belong again. To come home. To build something lasting through faith, love, and authentic community.

BIG IDEA

**We weren't meant to drift aimlessly like fallen leaves
but to grow as trees rooted and planted by God.**

DISCUSSION QUESTIONS

1. What is one thing that stood out to you from this week's message?
2. Which areas of your life do you feel you might be drifting instead of making progress?
3. What challenges do you face in trusting God during your "drought" seasons?
4. How does belonging to a faith community help you remain "rooted" and grounded during uncertain times in life?
5. How can we pray for you?
