Snellville, GA 30078

Our program uses *Wee Learning*, *Abeka*, and the Bright Beginnings Bible curriculum, so children receive a strong academic foundation while growing in faith, character, and confidence.

Through hands-on learning, reading, math, social skills, music, creative play, daily prayer, and Bible lessons, children develop academically and socially in a safe and Christ-centered environment.

DAILY ROUTINE & ATTENDANCE

Routines help children know what to expect, creating a sense of comfort, security, and confidence throughout the day. Each day follows a consistent schedule that includes activities such as circle time, hands-on learning, art, and group play. These daily routines encourage children to follow directions, build independence, strengthen social skills, and develop a love for learning. Regular attendance is also essential, as it helps children stay engaged with classroom learning, build meaningful friendships, and feel secure and connected within the classroom community.
