

# WILD LIFE VBS 2023!

We are so excited to partner with parents as your child participates in Vacation Bible School at Snellville United Methodist Church. Our hope is that your child will have an exciting, fun filled week discovering what makes them special to God.

We'll take a journey into the wild as we use the Bible to practice four important habits: spending time with God, spending time with others, using your gifts, and sharing your story.

## **Frequently Asked Questions**

### **Q: What if my kid has allergies?**

**A:** We will be sending a menu to all parents prior to the week. If your child has an allergy to any item, we ask that the parents send a substitution with their child.

### **Q: Do I just drop them off?**

**A:** Your child's safety is the most important thing to us. Therefore, all parents are required to come inside to sign in and out their child.

### **Q: Who do I contact during the week of VBS?**

**A:** Rebekah Shuler, Director of Children's Ministry, at 678-430-6017 or [rshuler@snellvilleumc.org](mailto:rshuler@snellvilleumc.org)

### **Q: What does a day of VBS look like?**

**A:** Each evening we will begin with dinner in Wesley Hall where we will learn our focus for the day. Then kids will travel with their crews around the church's campus exploring different stations where they will discover how wild their faith is. We will end our day in the CLC Gym with worship. Pick-up will take place in CLC Gym.
