

### Certification Report

CUSTOMER:  
Post Plastics Inc.  
375 Frankcom Street  
Ajax ON L1S 1R4, Canada

ATTENTION: Charlie Poitras

---

#### Supplier of Post-Consumer Recycled (PCR) Plastic Certification Report:

Based on the information provided, Thermoplastic Polyolefin (TPO) pellets, produced by Post Plastics Inc., at their Ajax ON, Canada facility, satisfy the requirements of post-consumer recycled plastic consistent with ISO<sup>®</sup>14021:2016 and comply with the Association of Plastic Recyclers (APR) PCR Certification Program.

This certification is good through June 27, 2026, contingent on quarterly submission of data for continued certification. (Note: Physical property data for each lot may be requested from each user of the PCR.)
