Re: Concrete Plant Approval
NYS DOT Facility No. C0567

Dear Mr. Lynch,

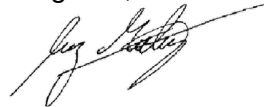

On August 12, 2025, the Office of Quality Assurance (OQA) conducted an audit of facility C0567, located at 2828 Gulf Avenue Staten Island, N.Y. 10314. Based on the audit results, this facility is approved to supply Portland Cement Concrete (PCC) to NYC DDC projects until 7/29/2026.

Please be advised that all PCC mix designs used on DDC projects are subject to OQA approval. The generic mix designs, once approved, are valid for a period of two years from the approval date. Please contact Juan Martinez at (718) 391-1669 if you require further information regarding DDC specifications or mix design approval.

This approval is subject to satisfactory performance and compliance with NYC DDC specifications.

Please be advised that DDC OQA intends to perform annual and periodic audits of all PCC plants to ensure continued compliance.

Regards,

Juan Martinez, PE
Director, Office of Quality Assurance
Safety & Site Support
