3 GRADUATE CREDITS

WORCESTER STATE UNIVERSITY

\$ 375.00 COURSE FEE + \$ 325.00 FACILITATION FEE

This course will explore concepts including diversity, equity and productive play. The intent is to reconsider best practices as education evolves to meet students' needs post pandemic. The desired outcome is education that deliberately empowers students through shared power, voice and choice. Each participant will be challenged to rethink their present practices and create an impact project that exemplifies positive change.
