HOW TO CREATE THE PERFECT BALLET BUN!

ITEMS TO HAVE ON HAND:

Brush, Small Tooth Comb, Spray Bottle Water, Gel, Hair spray, Hair Net, Bobby Pins, Hair Pins
(Hair pins - These U shaped hair pins are most commonly used to hold a bun or updo in place.
Bobby pins are generally used for pinning hair down to the head,

~ **GREAT 2 minute BALLET BUN VIDEO** ~

<https://www.youtube.com/watch?v=3yG7Hcozrf8>

1. Brush hair back into a tight ponytail in a diagonal line with the top of the ears. (It may work best on damp hair w/gel).
2. Twist ponytail and then start circling around the ponytail holder, hair pinning (or bobby pinning) as you go. *Depending on the thickness of the dancers' hair will determine whether hair pins or bobby pins, or a combination of both, will work the best.
3. Finish by placing a hair net over the bun then hair spray all wisps down well. The bun should be flat.
