DANCE YOUR LIFE

We believe that dance is not only a beautiful art form but also an engaging tool for personal growth and development. Dance is much more than just movement! It teaches discipline, teamwork, resilience, time management skills and at the same time touches the soul. Thank you for choosing Dance It Forward.

Welcome to the Dance It Forward Community of Dancers

At Dance It Forward, our mission is to inspire excellence in both dance and life. We believe in making a true DIFference through the art of dance, fostering creativity, self-expression, and personal growth in every student. Unlike competition-driven studios, we celebrate dance as an art form—one that enriches lives, strengthens communities, and uplifts the world around us. Here, students build lifelong friendships, gain confidence, and develop skills that empower them far beyond the studio. Whether you're stepping into your very first class or preparing for a future in the dance industry, we are thrilled to WELCOME YOU to the DIF community of dancers for our **55th Season!**

This guide offers an overview of our programs and class schedules. For more details, visit our website: www.danceitforward.dance. Please be sure to check out the Student Center, review Newsletters, explore our Calendar, plus read the Student Handbook through the Parent Portal. All enrollments will be done online on a first-come first-served basis. *Share the Passion* – Just as dance is passed from one generation to the next, our mission is to help dancers pay it forward—mentoring, inspiring, and supporting each other in a community where every step matters. Let's dance, grow, and make a DIFference together!

In our School of Early Childhood, children explore dance fundamentals with a creative and joyful approach created with a balance of fun and structure. Enroll in our Early Childhood dance classes and receive a **Free Dance Bag** with special gifts inside. We have carefully crafted the curriculum using the work of Shana Garling along with Discover Dance to provide the best in children's dance. Students must meet the age requirement by 9/1/25. Most classes in the School of Early Childhood are Performance Classes as indicated below and will have the opportunity to perform.

Performances:

- **Winter Showcase:** Mid-year performance celebrating student growth. Early Childhood students wear class uniforms for the Winter Showcase.
- **June Show:** End-of-season performance at the Appell Center for the Performing Arts. Early Childhood students keep their June show costume.
- *Performing classes incur Production Dues.*

Class Recommendations: 1-2 classes per week for skill development, social interaction, and a year-round activity.

For Extra Performance Opportunities is the *Forward Company*, open to dancers ages 4-7, just 30 min a week!

The School of Ballet at Dance It Forward sets the stage for the entire school. An American Academy of Ballet Certified School, students receive the finest training from faculty who have specific knowledge of our syllabus, philosophy and legacy. It is both our privilege and our responsibility to joyfully pass on the ballet traditions of classical ballet. Students progress through levels based on mastery of skills. Under our guidance, students learn new positions and movements – repeating and refining them until each becomes part of the body's muscle memory. Our programs have a proven record of success as our dancers are performing as professionals all over the world. Students use the professional atmosphere in which to grow and as they discover themselves, they are assisted in making career choices whether it be to dance or to explore the many other opportunities available to them in college and beyond. **50% Off Ballet Classes for Boys!**

Performances:

- Nutcracker Ballet Mid-year performance of the traditional Nutcracker Ballet at the Appell Center for the Performing Arts
- June Show End-of-season performance at the Appell Center for the Performing Arts
- *Performing classes incur Production Dues*

Early Childhood Ballet

Early Childhood Foundational Levels (Ages 3–7)

Our ballet training begins as early as age 3. These early childhood classes gently introduce young dancers to the beauty, discipline, and joy of ballet.

- **Pre-Ballet** (Ages 3–4) A playful and imaginative introduction to movement, rhythm, and basic ballet concepts
- **Pre-Primary Ballet** (Ages 4–6) Builds on motor skills and musicality while fostering coordination and a love for dance and classical music

Primary Dancer Program (Ages 5–7)

- **Primary Ballet** is the final foundational stage before formal ballet levels begin as the children gain readiness for more structured classes.

Young Dancer Ballet Program

Young Dancer Program (Ages 7–10)

- Students typically begin **Level 1A** around age 7 or 8. Once the determination is made that a student has the physical capability to learn technique and the student has the needed intellectual and emotional ability to commit to the program, the dancer begins to progress through the levels. From here, dancers progress through a structured curriculum of **7 ballet levels**, advancing as they increase their skills, strength, and commitment.

* Students are encouraged to gradually increase the number of classes per week as they advance.

* After moving to 1B, continued practice in lower levels is strongly recommended, even as they move up, to deepen understanding and refine technique.

* Mastery of ballet technique comes from consistent, repeated practice of the basics. More classes = faster progress:

* Ballet training is cumulative: unlike school grades, earlier levels should not be "left behind."

For dedicated dancers seeking accelerated progress, we recommend to **FAST TRACK** by immersing in focused ballet training with multiple weekly classes. This intensive option lays a solid foundation for advanced study and performance. The more time a dancer spends in ballet class, the more confident and capable they become.

Progression of the Ballet Levels

PREPARATORY: Level 1A, 1X: Age 7+ Preparatory level classes encompass a warm-up, barre and centre floor. They will be focusing on the fundamental ballet skills and concepts meant to provide a strong foundation on which more advanced levels of instruction will be based.

- Barre work is crucial at this level with emphasis on correct positions, posture, and strengthening of ankles and feet. Dancers should know right from left.
- We suggest adding the Variations class to the schedule in order to learn performance material and be invited to perform in Nutcracker & June Show for those who have not chosen to be members of the Greater York Youth Ballet.
- Prerequisite: Dancers must have completed a year of Primary Ballet or be 7 years old. Taking the Young Dancer Program of the Summer Ballet Intensive is highly encouraged and required of company members.

PRE-PRO **Level 1B: Advanced Beginner**

Level 2A/2B: Intermediate

Level 3-7: Advanced level class information is available to students with previous training upon request and may be customized.
Minimum # of lessons required; Private lessons recommended

Send inquiries to Artistic Director, Lori Garling, through CS@danceitforward.org for personalized guidance and level placement.

Joining the Greater York Youth Ballet

The Greater York Youth Ballet invites passionate young dancers to join our pre-professional program, where talent is nurtured and dreams take flight. If you love ballet and are ready to take your training to the next level, we welcome you to join this extraordinary program.

Performance Awards
of the American Academy of Ballet
Official School

Ballet Technique, Pointe, Variations, Partnering, Private Coaching

The School of Commercial Dance is for ages 7 and offers diverse dance styles in an engaging environment that enhances artistry and athleticism. Students gain confidence that enriches their overall dance education and well-being. Classes are held in a variety of styles.

Performances:

- Winter Showcase: Mid-year performance celebrating student growth.
- June Show: End-of-season performance at the Appell Center for the Performing Arts. We work towards the "end of season show" as an exciting goal. Participants often wear their class uniforms and also borrow items as decided upon from our Costume Room. On occasion, students need to supply items such as jeans, a specific colored shirt, etc. This is all listed in the Monthly Newsletters as the show details become available.
- Performing classes incur Production Dues.

Class Recommendations:

- For students with no dance experience, a good first class to start would be the "Rotating Class" (a combination of Hip Hop, Contemporary, Jazz and Pom & Cheer), or we suggest trying a Ballet Class (classical music, slower pace at first; builds technique to branch out into any dance area).
- 2 or more classes per week are recommended.
- Hip Hop Crew Performing Company is one of the most popular choices without a lot of time commitment. We also have the NEW Youth Ensemble for elementary aged students who enjoy mostly commercial styles!
- Most classes in the School of Commercial Dance are Performance Classes and will perform in the Winter Showcase and the June Show.
