MINUTES

MORGAN COUNTY SCHOOL DISTRICT
BOARD WORK MEETING

Tuesday, October 13, 2026, at District Office at 4:00 p.m.

Present: Board Members: President Gaylene Adams, Vice President Kelly Preece, Board Member Mandy Wallace, Board Member Andrea Brooks, Board Member Angie Trease

District Staff: Superintendent Andy Jensen, Business Administrator Scott McMillan, Secretary Jana Brown

Guests: Ramona Martin, Trina Wilkinson

Welcome: President Gaylene Adams opened the work meeting.

Board Training:

President Adams reminded the Board members to complete their open meetings and master board training through the state website.

Acadience Walkthrough:

Principals Martin and Wilkinson presented the Acadience data for their schools. It was noted that the focus from the state is 3rd grade. They discussed their numbers and their goals to improve those numbers. President Adams added that Senator Ann Millner will be visiting Morgan Elementary School tomorrow to review the program and their literacy data.

Building Temperatures and Heat Mitigation:

President Adams reported that there have been discussions regarding how to mitigate building temperatures. She noted that this could be accomplished by adjusting the calendar. Superintendent Jensen stated that it would be possible to change the calendar to start after Labor Day and end before Memorial Day, but the breaks would have to be shortened. It was felt that a parent survey would be beneficial before changing the school calendar.

Another possibility would be to add cooling units to the schools. Business Administrator Scott McMillan noted that this could be added to the budget and would be a multi-year capital project. He noted that this option would have to be decided by January when the budget process begins. He informed the Board that he would investigate pricing for this option.

The meeting adjourned at 4:51 p.m.
