

Go to morgansd.powerschool.com and click on the Create Account tab and then click on Create Account.

Fill in the details, you will need to also have to have your student(s) Access ID and Password. Then click enter at the bottom of the page. If you do not know your student(s)' Access ID and Password you can reach out to the school registrar to obtain that information.

A screenshot of the 'Create Parent Account' form on the PowerSchool SIS website. The form is titled 'Create Parent Account' and has a section for 'Parent Account Details'. This section contains several input fields: 'First Name', 'Last Name', 'Email', 'Re-enter Email', 'Desired Username', 'Password', and 'Re-enter Password'. Below these fields, there are password requirements listed in a table. The table has two columns: 'Password must' and 'Password must not'. The 'Password must' column lists requirements like 'Be at least 8 characters long', 'Contain at least one uppercase and one lowercase letter', 'Contain at least one letter and one number', and 'Contain at least one special character'. The 'Password must not' column lists requirements like 'Not be a well known password'. Below the password requirements, there is a section titled 'Link Students to Account'. This section contains a text input field for 'Enter the Access ID and Access Password for each student you wish to add to your Parent Account', a dropdown menu with '1' selected, and three input fields for 'Student Name', 'Access ID', and 'Access Password'. The browser's address bar shows the URL 'https://morgansd.powerschool.com/public/create_multi_student_account.html?'.

Password must	Password must not
Be at least 8 characters long	Not be a well known password
Contain at least one uppercase and one lowercase letter	
Contain at least one letter and one number	
Contain at least one special character
