1. Approval of Minutes
 - a. Destiny made a motion to approve the September minutes. Michael seconded the motion. All were in favor.
2. Timeline and Due Dates
 - a. George referred members to the link for Utah School Community Councils and resources on the website.
3. Community Council Training
 - a. George encouraged members to watch the training videos provided by the State.
4. School Update
 - a. Mr. Thomas reviewed the “In Person CE & AP Offerings” and the “Davis Technical College (DTC)” classes offered at MHS.
 - i. Weber State recently recognized MHS for how many students have and will receive the Certificate of Completion (COC). This will be even easier for students as we add more Concurrent Enrollment classes and the new schedule opens up more opportunities for CC classes.
 - ii. MHS currently offers 3 DTC programs in person and is looking to add more in person. Students are also able to take the bus to the DTC for other programs. Students should have more opportunities for DTC hours with the new schedule as well.
 - b. Mr. Ard shared that from his perspective as a teacher the 5 period schedule has made a big difference. He feels the extra time per class allows him to not be in such a hurry to get through the material and this creates a better, less stressful class environment. He feels this is helping him build better relationships with students and give less homework.

- c. Mr. Thomas reviewed ACT and ASPIRE PLUS data from 2021-2025.
 - i. Aspire Plus prepares students for the ACT and is a good indicator of ACT scores.
 - ii. MHS is above the state average for Aspire Plus and ACT testing. This years' Seniors scored the highest average over the last ten years.
 - iii. Mr. Thomas sees a correlation between the rising scores and the goals funded by Trust Land Funds.
 - d. Mr. Sargent gave an update on the CTE Center
 - i. The CTE program is working on adding more programs
 - ii. They are also working with the DTC to add more on site opportunities at MHS
 - iii. This year they have added a district daycare and opportunities for MHS students to take Early Childhood Education III.
 - iv. Students have the opportunity to take auto and diesel classes at the Young Dealership shop.
 - v. There is also a new Power Motor Sports class where students work on small engines. This is a great class for Freshman and Sophomores to take to see if they are interested in the more advanced auto classes.
 - vi. The school is working on a CTE website.
- 5. Committee Assignment Reports
 - a. Janell attended the Emergency Committee meeting.
 - i. The District is updating First Aid and Bleed Kits and working on a plan for rotating through them.
 - ii. They discussed fencing for all schools in the district
 - iii. The District is working towards all schools having panic devices.
 - iv. The committee discussed the reunification plans
- 6. Meeting Schedule
 - a. George proposed the following meeting schedule: Nov. 25th, Dec. 16th, Jan 27th, Feb 24th, March 24th and April 28th. All meetings will be held at 7:00 AM.
 - b. Janell motioned to approve the 2025-2026 meeting schedule. John seconded the motion. All were in favor.
- 7. Gaylene Adams extended the thanks of the School Board to all members who serve on Community Council
- 8. Adjourn
 - a. Michael made a motion to adjourn. George seconded the motion. All were in favor.
- 9. Next meeting: November 25 at 7:00 a.m.
