

Boost Your Business

Turn Website Visitors & Missed Calls
Into Confirmed Bookings

Your Competitors Respond
Instantly. Do You?

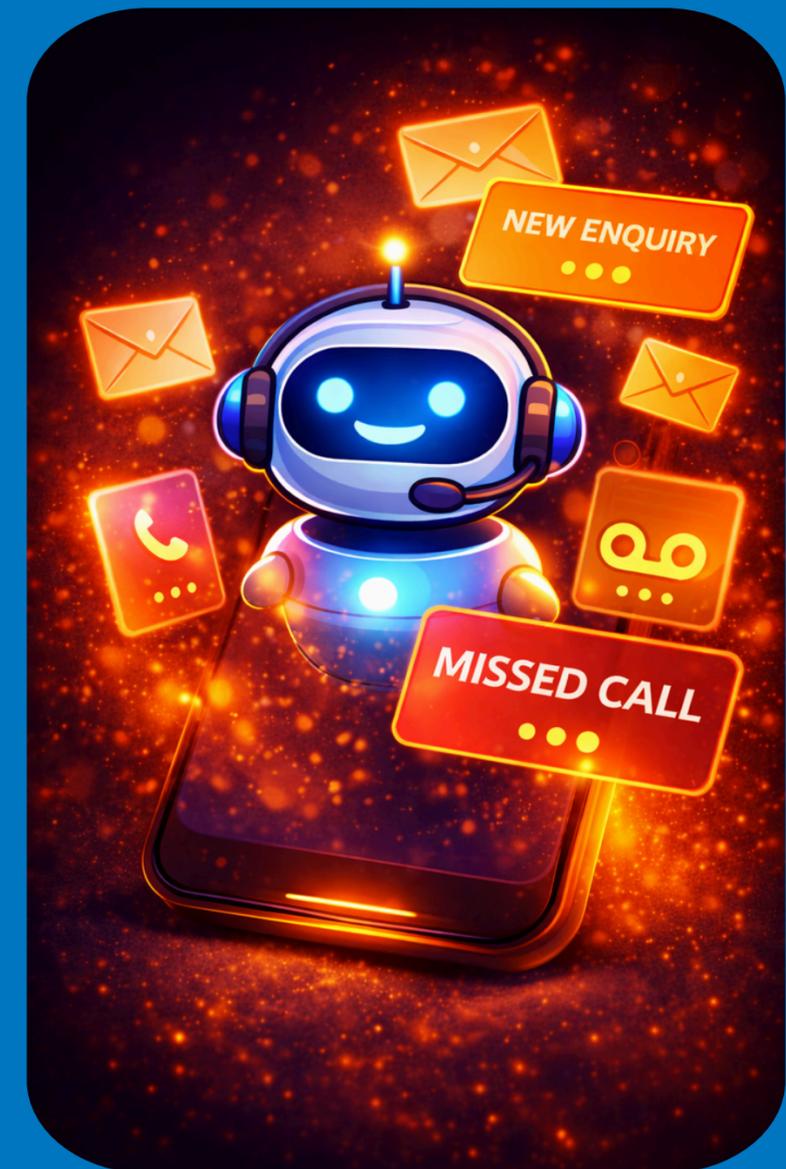

You Don't Have a Lead Problem... ...you Have a Response Problem

If you:

- Miss calls during the day
- Can't answer in the evenings
- Get enquiries whilst you're on jobs
- Rely on voicemail
- Forget to reply to website forms

**You're not losing traffic -
You're losing bookings**

When Customers Contact You — They're Ready to Book.

They ask:

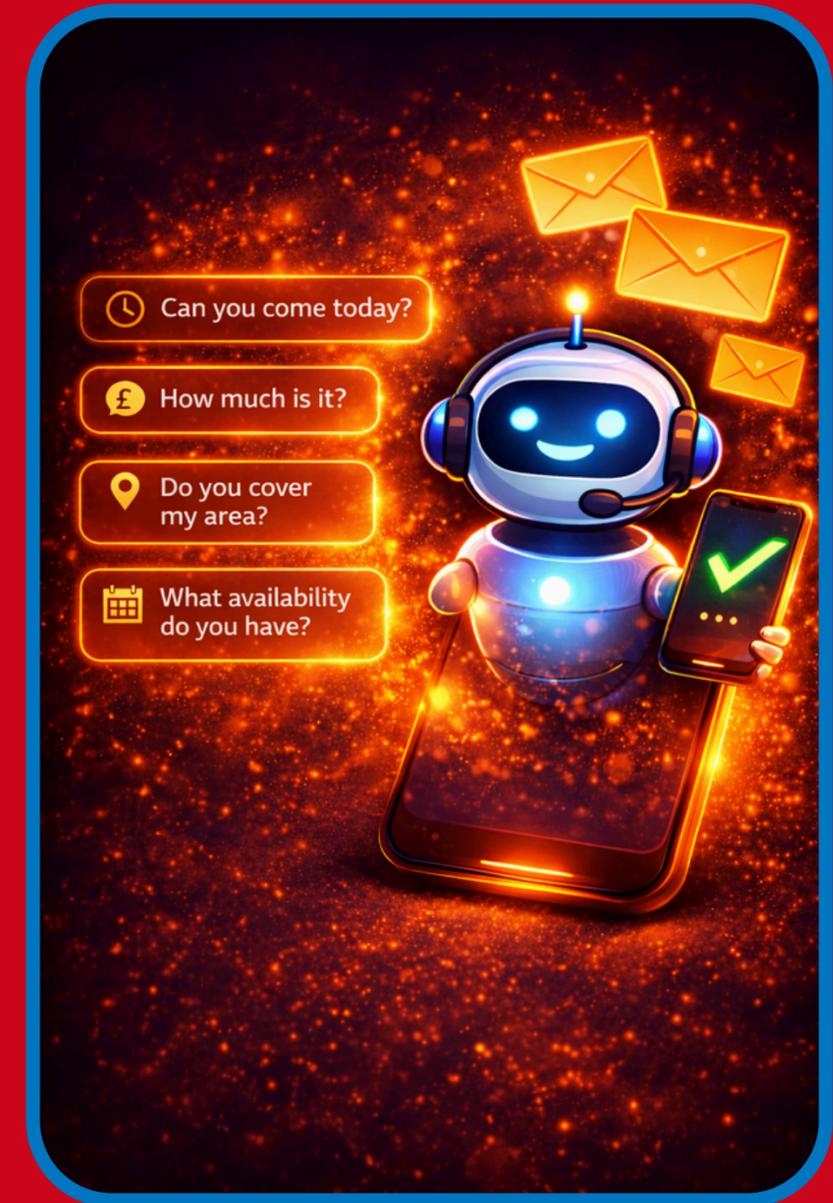

“Can you come today?”

“How much is it?”

“Do you cover my area?”

“What availability do you have?”

They won't wait hours
They'll move to the next business
The first to respond wins the job

Never Miss Another Enquiry

Meet Your New AI Booking & Chat Hero

It:

- Replies instantly
- Answers common questions
- Collects name & number
- Qualifies the job
- Books appointments
- Notifies you immediately

Even when you're on-site
Even when you're closed

Every Missed Call Is Revenue Walking Away

UK service businesses miss
20–40% of inbound calls.

If just 5 of those were jobs per week...

That's **thousands £££** per month.

**This isn't about convenience
It's about capture rate**

Fast Response = Higher Trust

Customers often assume that

- A slow response means you must be disorganised
- No reply means you're not interested in their business

BUT

- An instant response indicates a professional outfit

**Speed builds confidence
And confidence books jobs**

Traditional Contact Forms vs AI Chatbot Hero

**Forms collect enquiries
AI converts them**

Contact Forms

- Cold
- Delayed
- Manual follow-up
- Low response rate

AI Chatbot

- Instant
- Interactive
- Pre-qualified
- Higher close rate
