- 2 Click "Select nonprofit," search for "Children's Hospital Association Inc," and choose us as your cause.
- 3 Name your fundraiser, set your goal, the date your fundraiser will end, and write your caption sharing why you believe others should join you in supporting CHA.
- 4 Add your cover photo or use one of ours, preview your fundraiser, and then click "Create." You can reshare your fundraiser on Facebook as many times as you'd like.

The screenshot shows the Facebook fundraiser creation process. At the top is the Facebook search bar. Below it is the 'Fundraisers' section. A 'Choose a nonprofit' dropdown is open, showing a search for 'Children's Hospital Association'. The search results show 'Children's Hospital Association, Inc' with a description: 'Todd Wildenauer and 1.7K others like this nonprofit • Health and human services • Saint Paul, MN'. Below the search results are several input fields: 'How much money do you want to raise?' (500), 'Select currency' (US Dollars (USD)), 'When should your fundraiser end?' (Aug 31, 2025), 'What's the title of your fundraiser?' (Madeline's fundraiser for Children's Hospital Association, Inc), and 'Why are you raising money?' (Want to join me in supporting a good cause? I'm raising money for Children's Hospital Association, Inc). At the bottom is a 'Cover photo' section with a preview image of a smiling child and a 'Create' button.
