# SEEKING LICENSED COMMERCIAL GENERAL CONTRACTOR FOR KEY PARTNERSHIP OPPORTUNITY

We are currently seeking a **Licensed Commercial General Contractor(s)** to join our team as a key collaborator in upcoming construction and development projects in **Alabama, Georgia, Mississippi, Michigan, Arizona, and Louisiana**. This is an exciting opportunity for a qualified professional who is looking to expand their portfolio, partner with a dynamic organization, and take on a central role in delivering high-quality projects.

## LICENSE REQUIREMENTS

Commercial General Contractor(s) must meet specific qualifications, including experience, financial stability, and passing exams.

### What We're Looking For:

- A Commercial General Contractor with a valid and active license.
- Solid experience managing commercial construction projects.
- Strong communication and organizational skills.
- A collaborative mindset and a passion for quality workmanship.

### What You Can Expect:

- Partnership opportunities on current and upcoming projects.
- Competitive compensation structures.
- Professional support and a reliable team environment.
- A chance to be part of a company that values integrity, craftsmanship, and innovation.

## NEXT STEPS

If you're interested in learning more, we'd love to connect. Please send a brief introduction and proof of licensure to:

**Dee Geary, Vice President of Human Resources**

Email: [dee.geary@rokpowersutilities.com](mailto:dee.geary@rokpowersutilities.com)

Office: +1 (604) 553-1810 ext. 900

We appreciate your interest and look forward to building something great together.
