GENERAL PRICE LIST

These prices are effective as of November 3, 2026 and are subject to change without notice.

The Federal Trade Commission (FTC) and the New York State Department of Health both require that funeral providers on the General Price List make certain disclosures. Although these disclosures are similar, they are not exactly the same. This General Price List contains both sets of the required disclosures. The disclosures required by the FTC, when different from those required by the Department of Health, are preceded by the letters "FTC."

(FTC) "The goods and services shown below are those we can provide our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral services and merchandise you selected."

(FTC) "This list does not include prices for certain items that you may ask us to buy for you, such as cemetery charges or crematory services, flowers, and newspaper notices. The prices for those items will be shown on your bill or statement describing the funeral goods and services you selected."

Items marked with a green leaf symbol represent our eco-friendly (GREEN) service options, designed to minimize environmental impact through sustainable practices.

Biodegradable caskets and shrouds are offered, along with alternative body preparation methods such as refrigeration, or topical treatments. Services can include home wakes, visitations, church funerals, and graveside ceremonies within appropriate time frames. For pricing information please see page 2.

If you choose to hold a wake or visitation at an outside location, please note that the venue's specific policies and physical layout may limit certain requests, such as the use of a casket or carrier or the presence of an unembalmed body.
