Community Interaction Guidelines

We are excited to spread the word about fire safety! There are a few guidelines that we ask to be followed.

1. For requests to be considered, they must be received no less than 10 business days (about 2 weeks) prior to the event.
2. Due to call volume, completion of this form **does not** guarantee an appearance as units may be required to cancel on short notice or leave the event early due to emergency situations.
3. For tours - Please, limit them to no more than 30 people per visit (total children and adults). Tours are limited to the tour only; we cannot host parties or other activities.
4. Fire trucks can come to your school, although they will remain in service and can be scheduled between the hours of 10 am to 4 pm.
5. For private residences or private events, such as birthday parties, crews will remain in service but can make an appearance of 30 minutes.
6. Parades – These events have to be scheduled so that if there is an emergency situation the fire crews can leave the event.
7. Other – if you do not see your event type in these guidelines be sure to give as much information as possible on the form so that we can best assist you.
8. Due to industry standard changes we are no longer using water from the apparatus to spray people or animals. We also will no longer be filling swimming pools.

*****We reserve the right to decline any request that deems unsafe to our staff or apparatus or if the event does not meet our scope of capabilities*****

For questions, please contact the Administrative Office at (936)372-8084
