### **PRAYER REQUESTS:**

1. Clark Fork Fellowship is a very young church who needs a pastor and his family to join them in sharing Jesus and ministering in His name in Mineral County, Montana.

2. The reputation of the previous churches who used the building that Clark Fork Fellowship now uses was very negative. We are asking Jesus for a new reputation of being a local congregation dedicated to Jesus and serving the community in His name.

3. One of our key leaders, Shawn Smalley, was recently diagnosed with stage 4 colon cancer. He has had surgery and is being treated non-traditionally. He is currently recovering well from an initial, invasive surgery. He is 45 years young. He and his wife, Alita, have eight children, seven living in their home still and the younger 5 all adopted siblings. He is retired from the Montana Highway Patrol and serves part-time as one of the Mineral County Commissioners. Please pray with us for Shawn's healing, for the Lord's best for all their family, and for the witness of Christ in and through their lives.
