Soil in the City | Pick of the Litter

What up—Ya'll?

We're calling on composters, growers, haulers, artists, educators, neighbors, dreamers, and doers, to build something regenerative with us.

We're forming **The Soil Syndicate**

A collective of partners, stakeholders, and soil lovers ready to turn our city's waste into life.

What We're About:

- Turning kitchen scraps + cardboard into living earth
- Bringing compost into culture
- Healing soil, people, and place
- Dirty hands. Clean futures.

Why You?

1. Because what you do—matters.
2. We want your experience, your tools, your stories, your grit.

Let's do the dirty work—together
