3. There will be four areas under certification

- Risk Status (Background check)
- Concussion Certificate
- SafeSport
- Coaching License (not required, but will show if you have any)

If you do not see “approved” by your background check, let me know.

If you do not see “verified” by the concussion certificate or safesport items, you need to accomplish those trainings (next slide shows you how)

4. Go to <https://learning.ussoccer.com/> and login to your account (login button on the top right of the page)

5. Under your profile, verify that your SafeSport training and Concussion training (labeled as Introduction to Safe and Healthy Playing Environments) are in fact expired/not complete. If they are good but you are showing expired on the Sports Connect login, let me know.

6. If you do in fact need to complete the training, go back to the home page and select the “Safe Soccer” tab at the top

7. Open the Phase 1 section, and select the course(s) you need to complete
