Sacrament of Confirmation Student preparation packet

2025

Reverend Michael J. Yadron, Pastor
Miss Emily Hackett, Director of Religious Education

*I will give you a new heart and
Place a new spirit within you... (Ezek 36:26)*

Dear Confirmation Candidate,

Congratulations! This is a very exciting year in your faith journey as you prepare to be Confirmed in the Catholic Faith. I encourage you to spend extra time this year in prayer and in the study of the faith. Take time each day to pray, even if it's only 5 minutes at the beginning or ending of each day.

Ask God to help you prepare well for the Sacrament of Confirmation. Thank Him for all the blessings in your life, especially for those people in your life who have helped you get to this point. Tell God all your worries, troubles and concerns. Most importantly, take quiet time to LISTEN for God's response.

If you have fallen away from it, use this year to return to attending Mass each Sunday. Attendance at Mass is our opportunity to give one hour back to God for all the hours He has given us that week. It is also the one place where we can receive the Body, Blood Soul and Divinity of Jesus in Holy Communion. He is waiting for you.

I encourage you to take the Confirmation classes and the extra assignments seriously and to do your best with them. All these classes and assignments are designed to help you be fully prepared to be Confirmed. Choose your sponsor with care. Choose the name of a saint that has special meaning to you. This saint will be a special patron that you can turn to in times of trouble, and who will watch over you with care. Lastly, choose service projects that are meaningful to you. Service is a large part of our Catholic faith, and these projects can be a wonderful opportunity to give something back to those who are not as fortunate as you are blessed to be. If you choose projects that you are excited about and have meaning, they will be rewarding, not just something you 'have' to.

Confirmation is not an ending, it is just the beginning. After you have received the sacrament and are through with religious education classes, please continue to attend Mass each Sunday. Find a ministry that you would like to participate in. Do not let your Confirmation be the last time you are at Mass. The world needs courageous, young witnesses to the Catholic faith. The world needs YOU.

Please know that your teachers, your parents, and I are all praying for you as you prepare for this very important step in your faith life. We are all here to help you in any way that we can.

May God bless you,

Miss Hackett

AFTER CONFIRMATION

Although Confirmation DOES mark the end of your religious education classes, it does NOT mark the end of your faith journey. Confirmation is the time in a person's life when the gifts they received at Baptism are confirmed and strengthened in them. They become full-fledged members of the Church. Please consider taking a more active role in your church by choosing a ministry to participate in. Saint Thomas More offers a wide variety of ministries to choose from. Some of the ministries include lecturing, ushering, cantering/choir or Eucharistic Minister. Continue deepening your faith through weekly Mass attendance, personal prayer time, studying the Scriptures or reading more about your faith. The world needs more Catholics to know and live their faith.
