We recommend comfortable rubber-soled shoes for the walking tours. You should also bring along a sweater, as evenings can be cool on the water or in the air conditioning on the ship. Don't forget your camera, sunscreen, and a hat.

Although for most people medication is not required, there may be some who may want to bring along a remedy for motion sickness. You don't want to let that spoil these amazing experiences.

Khakis, jeans, shorts and casual shirts are fine for men. Swimwear is acceptable at the buffet and outdoor restaurant, but a shirt or a cover-up and footwear are required.
