We recommend comfortable rubber-soled shoes for the walking tours. You should also bring along a sweater, as evenings can be cool on the water or in the air conditioning on the ship. Don't forget your camera, sunscreen, and a hat.

Although for most people medication is not required, there may be some who may want to bring along a remedy for motion sickness. You don't want to let that spoil these amazing experiences.

As with any cruise, there are options for day trips offered by the cruise line with an additional fee. Remember that while in PEI and Québec City you have exclusive DeNure Tours excursions included on those days.

WHAT TO WEAR ON A CRUISE

Dress cruise casual anytime during the day, in the buffet and in most specialty restaurants. For women, it includes summer and casual dresses, skirts, regular or

capri pants, shorts, jeans and tops. Khakis, jeans, shorts and casual shirts are fine for men. Swimwear is acceptable at the buffet and outdoor restaurant, but a shirt or a cover-up and footwear are required.

Dress smart casual in the more formal dining room or the more upscale specialty restaurants. For women, it includes slacks or jeans, dresses, skirts and tops. For men, it's slacks with a collared shirt and closed-toed shoes. Dressy Nights evoke the grand traditions of cruising as guests dress to impress for special events on board.

There will be one evening for the Orange Party, where Holland America provides a festive display of Dutch national pride. You may want to bring some orange clothing and/or accessories to wear for this special celebration.
