Guest Feedback

For Newfoundland and Labrador, this was the perfect way to travel for us due to all of the arrangements needs. I'm glad someone else did all the planning.

– C. Thomas

I enjoyed this entire vacation and the knowledge of the tour director and bus driver, the hospitality of Newfoundlanders, and the beauty of the province. I would recommend this trip to all who will listen to me rambling about it.

– J. Hill

Every stop on this tour was a highlight. Bonus was the tour director, driver, and our fellow travellers.

– B. Vrooman

We fell in love with THE ROCK and the people! This was our first coach tour and we had very little knowledge of what to expect, therefore the experience was new and every day was a surprise. Thank you DeNure!
